**I want to make the wholesale process at j candles as simple as possible. I have created this wholesale catalog for you to browse, use as a guide and enquire about wholesale orders.**

## **Permitted Retailers:**

Gift Shops, Boutiques, Restaurants, Hotels, Cafes, Florists, Wedding Venues, Retail Stores, Independent Shops as well as online. If you are not one of the above but would like to place a wholesale order, please do get in contact, we would be happy to discuss your needs.

## **Advertisement:**

By becoming a retailer, your business name, location (if applicable) and website will be shown on our website under our 'Stockists/Where to find us' page. We will also dedicate a social media post to your business tagging you in it, sharing with our 1000+ followers.

## **Order Requirements:**

A wholesale order is an order of 100+ candles. All orders are subject to raw material availability. Currently due to many factors including Brexit and Covid-19, there is a shortage of raw materials within the candle making industry. Although we hope this doesn't affect your order with us, we will keep you updated if there are any delays to materials needed to complete your order and make a plan going forward.

## POLICIES & GUIDELINES CONTINUED

### **Processing:**

The processing time depends on the size of your order. An order of 100 120g candles can take 3-5 days. This time frame varies on the time of year, other wholesale orders in progress and regular website restock taking place. The processing time will be confirmed when you place your order so that a collection/delivery date can be scheduled.

### **Shipping/Delivery/Collection:**

Due to the nature of the products, collection of your wholesale order is preferred. We offer delivery at the cost of petrol. In the circumstances where we do need to send your wholesale via delivery company, you will be liable to pay the delivery fees. This can be arranged and discussed upon placing your wholesale order. In most cases we will use a company such as DPD.

### **Returns & Replacements:**

We do not accept returns. We will replace or refund a product that is defective or broken on arrival with photo evidence provided. If photo evidence cannot be provided within 12 hours of receiving the faulty goods, no refund/replacement will be given.

If you are interested in placing a wholesale order please email [jcandlessuffolk@gmail.com](mailto:jcandlessuffolk@gmail.com)

I aim to respond to all email enquiries within 24 hours but during peak season (Oct-Dec), there could be a slight delay.

I will send you across our application form to fill in and return via email. Here you will fill in yours and your company's details and state your quantity of each fragrance and size.

Your application will go through the approval process and you will receive an email stating whether your wholesale application has been approved or not. Sometimes I may have to turn away larger wholesale orders due to already being booked up, or a shortage of raw materials. I will always state my reasonings in my response.

Please note the processing times for wholesale orders in the information provided above and always allow enough time for your order to be approved, made and collected/delivered. To ensure everything runs smoothly, you should place your wholesale order at least a month before you intend to sell the products.

If you are interested in selling our products but are looking for a smaller quantity than 100+, please get in touch and I will try my best to accommodate your order!
